

# 2010 *GREEN EGGS & SAND* Workshop on Delaware Bay

**Where:** Mallard Lodge (east of Smyrna, DE) and the St. Jones Reserve (Dover, DE)

**When:** Friday, May 21 (starting at 6 PM) through Sunday, May 23 (ending at noon), 2009

**Who to contact:** Gary Kreamer: (302) 653-2882; [gary.kreamer@state.de.us](mailto:gary.kreamer@state.de.us)

**Fee:** \$100, covers all meals, lodging on site (Fri./Sat.) and all workshop materials

**More about the workshop:** The Green Eggs & Sand workshop starts with dinner Friday evening, May 21 and ends at noon on Sunday, May 23. Interspersed with expert presenters on horseshoe crabs (HSCs), shorebirds, biomedical use of HSCs, and HSC management, are sessions that explore the GE&S curriculum and provide demonstrations of the rich assortment of hands-on activities it offers. Field trips to Delaware Bay beaches are a special highlight of the weekend: including the opportunity to observe nighttime spawning of HSCs, a day trip to a Bay beach to observe HSC eggs and shorebird feeding, and a visit with a local fisherman who uses HSC's for bait.

**More about the lodging:** Lodging is provided at the Aquatic Resources Education Center's Mallard Lodge facility. This facility features rustic shared bunk rooms of varying sizes and common bathroom/shower facilities. Beds are twin-size bunk-style; participants are asked to bring their own bed linens, blanket and pillow. Sleeping areas are not air-conditioned. Although these and other conditions may challenge the comfort level of those accustomed to more privacy, the trade-off comes in being on-hand after workshop hours to socialize/network with experts and fellow participants. For those who prefer alternative accommodations, a list of nearby motels is available. Reservations for such are to be made by individuals at their own expense, with the understanding that this does not reduce the workshop registration fee. Please indicate your lodging preferences, along with any special dietary or accommodation needs in the spaces below. Space is limited and registrations are made first-come-first-serve. No-shows or cancellations made without at least 2 weeks prior-to-workshop notice result in forfeiture of registration fees. **Full attendance at all workshop sessions is required for receipt of the curriculum package.**
